

Kirkby Fleetham CE Primary School Newsletter Friday 16th January 2015

The Juniors kicked off their new history topic with a very exciting morning yesterday when they were visited by an archaeologist who carried out investigations before the commencement of the A1 Leeming to Barton improvements. The children were fascinated by the Roman artefacts that had been found. Should you want to know more there is an Archaeology day on Saturday 24th January at Catterick Racecourse. More details can be found on our school noticeboard
