A very Happy New Year to all our parents!

As you may have noticed, quite a few changes took place over the Christmas holidays. We would like to offer a very warm welcome to Mrs Flanagan who will be teaching the Junior class on a Wednesday, Thursday and Friday each week. The children have enjoyed their first few days with her and are looking forward to all the exciting things she has planned for this term. It has been an exciting week for the juniors as they have now moved into our newly refurbished middle classroom to enable us to begin to turn the end room into a hall. We have also changed the link into a library, which should make the books much more accessible to all the children.

A huge well done goes to our swimming team who took part in the annual school's swimming gala on Wednesday. They won lots of individual medals as well as a team medal.

Congratulations!

Star of the Week Awards

Congratulations to the following children who received Star of the week awards in our last celebration worship: All the Juniors for just being completely amazing and fantastic and Leo for growing in confidence.

This week we have a pen - portrait from our Local Authority Governor, Gerry Price who has been a governor at our school for over two years now:

I am the governor nominated by North Yorkshire County Council to the board of governors. I live in Exelby having moved to the area five years ago after retiring from my post as Area Director for
