

EYFS Newsletter

We will be sending home a letter every few weeks to let you know what we are busy doing in EYFS. We will also be sending home a postcard asking you to let us know what your child is doing at home so that we can add it to their learning journey.

Phonics

We will be tuning into sound using musical instruments. The children will be identifying and matching what they hear to an instrument.

FS2 children will continue to learn new phonemes and blend them to read words.

The school children will be performing a Christmas Play on Tuesday 15th December at 2.00pm. It would be lovely if the Nursery children could join in. Please let me know if they are able to come and if you would like tickets to come and watch.

Number

We will continue to learn our numbers to 10 and begin to add 2 numbers together. The children will also become familiar with numicon to support their understanding of number.

Ourselves and Art in the Environment

The children will be reading the story of *The Three Billy Goats Gruff*. They will retell the story and sing songs about it. As it is originally a Norwegian story the children will be able to listen to it read in Norwegian.

They will also construct bridges and compare sizes through the story.

On Friday 4th December we hope to take the children to East Cowton school for the morning to continue to make friends with the children there. There may be a surprise as well!

Don't forget to order free milk if your child would like it each day.

Stay a while. 8.45 am to 9.15am

You are invited to stay for a while and share your child's Learning Journey with them on **Thursday 26th November and Thursday 10th December**. The Learning Journey records the children's activities and development while they are in school and we would welcome information from home to add to it. This is also an opportunity for you to ask any questions you may have.
