

## EYFS Newsletter April 2016

We will be sending home a letter every few weeks to let you know what we are busy doing in EYFS. We will also be sending home a postcard asking you to let us know what your child is doing at home so that we can add it to their learning journey.

### Phonics

In phonics children will be learning about alliteration. They will also be playing rhyming games and singing songs.

F52 children will be learning how to read and write cvcc (consonant vowel consonant, consonant) and ccvc words. They will also be learning to read and write High Frequency Words.

We welcome Tom into Nursery, he will be spending three mornings with us.

On Wednesday afternoon F52 will visit East Cowton School to play and learn with the children there.

### Number

The children will be learning numbers to 100. They will be developing an understanding of money through play in the flower shop. They will continue to write numbers and know more and less than a number and continue to learn about 2d and 3D shapes.

### Our World

The children will be reading stories, singing songs and creating on the craft table around the theme of countries around the world. They will learn about hot and cold countries, the animals who live there and what clothes to pack to go there.

Barnaby Bear will be looking for a home on a weekend. If you and your children are doing something special or exciting on a weekend please let me know and we can arrange for Barnaby to come along.

Don't forget to order free milk if your child would like it each day.

Stay a while. 8.45 am to 9.15am

You are invited to stay for a while and share your child's Learning Journey with them on **Thursday 21<sup>st</sup> April, Thursday 5<sup>th</sup> May and Thursday 19<sup>th</sup> May.**

The Learning Journey records the children's activities and development while they are in school and we would welcome information from home to add to it. This is also an opportunity for you to ask any questions you may have.
