

Summer Term 2015

Kirkby Fleetham CE Primary School Newsletter Friday 5th June 2015

We had a fantastic time on our trip to Bradford on Wednesday and were very grateful to the Friends who had fundraised to pay for it. A big thank you also goes to Mrs Savage and Mr Kirk who came with us to help out. The children have written some recounts of their day:

'On Wednesday we went to Bradford on a coach. When we arrived we saw the Mandir. We went inside and took our shoes off and washed our hands. Then we went in and saw beautiful statues of Gods.' **Lily**

'When we walked into the worship room I couldn't believe my eyes. The room was full of bright colours and there was a stunning line of sparkling gods and goddesses. The room made me feel calm and relaxed, it was so pretty.' **Mia**

'After lunch we started to shop! The first stop was the Bombay Stores, this was shoe paradise, clothes heaven and a wedding wonder!' **Frankie**

'We went to a supermarket, it had Indian music playing. I thought that was weird because I haven't been in a supermarket with music playing before. Our group bought onions and okra. Okra is a green fluffy thing.' **Macauley**

'In the supermarket we saw huge bags of rice. I was shocked I had never seen bags of rice that big before!' **Rebecca**

'It was amazing that we could do this and the Mandir was so special. It was all amazing.' **Mylo**

This morning the children enjoyed making curries and Indian sweets with the ingredients that they had bought in the Indian supermarket.

Congratulations!

Star of the Week Awards

Congratulations to the following children who received Star of the week awards in our last celebration worship: Kaiden for excellent improvement in his writing, Thomas for working hard at practising his violin, Aidan for increased confidence especially in his violin lessons and the whole Infant class for their super writing!

General News

Uniform

Your child will be bringing home tonight a form with which to order any new uniform required for September. Please note that all orders should be handed in to school by Tuesday 9th June in order to guarantee delivery for the end of the school year. Late orders unfortunately incur a carriage cost from the suppliers.

Jonas Centre Visit

A separate letter containing information about our forthcoming trip is also coming home tonight.

Governor News

A message from Collette Faulks:

As we start the last half term of the year we are, as a governing body, coming to the end of our role. From September the new Federation Governing body will take over and we will be losing several people who have been a fantastic support to our school over the last few years. Before that happens, however, we will be sharing our first annual statement at the end of the summer term so that you can all see what we have been doing with our time this year. Looking forward to next year there are places available for co-opted members of the governing body so if anyone is interested (or knows any members of the local community who might be) please let me or Mrs Dudman know. We are happy to chat if anyone wants further information. Don't be shy!
