Summer Term 2015

Congratulations to all our children for their fantastic performance of 'The Fist Kids in Space' Yesterday. Many of you have commented on how well they performed and how confident they were on stage. There were some excellent individual performances as well as some very good team work. A super way to round off the

term- Well done everybody!

Yesterday was also our teddy bear's picnic. The children had a very relaxed lunchtime outside sharing their sandwiches with their cuddly toys!

Congratulations!

## Star of the Week Awards

Congratulations to the following children who received Star of the week awards in our last celebration worship: Mylo for his excellent 6<sup>th</sup> Chapter of the Iron Man, Lucy Shirt for 'being a delight', Toby for some super extra homework, Owen for following instructions well, Darcy for being so helpful, Mia for her determination to complete her space mission targets.

General News

## Work in school over the holidays

There will be a few projects going on in school over the holidays, the end room will be converted into a proper hall, that will be used as a classroom in the mornings. A new floor is being laid and hopefully the new cupboards and radiator covers will be in place by the time the children return.

We will also be having some work done to the large conifers in the playground and we will be having a full wireless upgrade

## NYCC workshop

Advance warning - Next years year 5 and 6 will be taking part in an NSPCC workshop at on Wednesday 16<sup>th</sup> and Thursday 17<sup>th</sup> September at Ainderby school and we are hoping that there may be some parent volunteers to help with transport.

### Leaver's service

Please do come and join us tomorrow when we get together to celebrate all the fantastic achievements of the year, and to say goodbye to a number of special people. The service is at 1.30pm at St Andrew's Church.

### Friends News

It sounds like a good deal of fun was had by all at the Friend's dog show last Sunday, the children were full of all sorts of stories on Monday. The event was clearly a huge success and also raised around £450!

Thank you very much to all of the Friends committee for their hard work, not only on Sunday but throughout the year. They have not only provided us with a class set of laptops, but also paid for the Bradford trip, bus to the pantomime and numerous other treats for the children over the course of the year. As a school we are very lucky to have such a dedicated team of parents.

### Governor News

As term closes it is the end of an era for our exceptionally hardworking team of governors. From August 31<sup>st</sup> they will cease to exist as a body, and the newly formed Federated Governing Body will come in to place. Some of our governors are stepping down, and we would like to thank Andrew Harper, Reverend Clive and Julian Martin for all their expertise, guidance and commitment to the school over the last few years.

Thankyou also to Collette who has been an excellent Chair of Governors this year and has been instrumental in securing the federation for the school.

The new governors (including five of our existing governors) will meet on 7<sup>th</sup> September to elect a chair and to plan the way ahead!
