Summer Term 2015

What a fabulous week we have had! The trip to the Jonas Centre was a fantastic experience for all. Many of the children stayed away from home for the first time and all coped remarkably well. We were very lucky with the weather and had a wonderful walk across the fields to Bolton Castle. The castle visit felt like a great adventure and the children really enjoyed exploring the different chambers and rooms. As you can see they particularly liked finding a large dressing up box in the nursery. The maze was also a real hit and the children ran around getting lost for ages. We saw a bird of prey demonstration and the archery display inspired the children so much that they made their own bows and arrows for an archery competition when we got back to the centre.

The children's excellent behaviour throughout the whole event made it a pleasure for the staff, they worked together as a team, were polite and extremely helpful. Thank you very much to Mrs Martin, Mrs Savage and Mrs Maltby (Mrs Flanagan's mum!) who came with us on the trip and made the whole thing possible

Congratulations!

A message from Collette:

A big thanks to all of the teachers and other adults for all their hard work to make this week so special for the children with their trip to the Jonas Centre. I know that this has been one of the things that school council had been campaigning for this last couple of years and it seems to have been a huge success. Well done to them too for such good work.
